

COLE Memorial

November 1, 2017

Dear Scholarship Applicant:

Cole Memorial is pleased to announce that we are presently accepting applications for our 2018 Registered Nursing Scholarship Program and the Allied Health Scholarship Program.

The Nursing Scholarship and Allied Health Scholarship Programs provide up to \$5,000 per year for each year of the covered program the student is to attend, (i.e., a four year program would enable the recipient to receive up to \$20,000.00).

Upon graduation, the recipient would be required to fulfill an employment commitment to Cole Memorial. Should the student withdraw from the approved program or change curriculum, they are required to repay all funds paid to them.

We require the following information from each candidate:

1. A formal letter requesting consideration from the applicant.
2. A completed scholarship application (see attached).
3. A copy of the student's most recent grade transcript.
4. Proof of acceptance in an approved program.
5. Three letters of reference.
6. Phone number and address where you can be reached.

Applicants meeting the approved requirements will be interviewed by a committee designated by the Hospital. Preference will be given to candidates pursuing advanced degrees (i.e., BSN candidates will receive preference over ASN candidates). Application packets should be completed and forwarded to the Human Resources office no later than April 1, 2018. Should you have any questions regarding the scholarship programs, please do not hesitate to contact me at 814-274-5264 or Cindy Reed in my office at 814-274-5431.

Sincerely,
