

# Ronald Butch Angood Scholarship Gift

Ron Angood was a man of great integrity who was immensely involved in the community. He was a Christian man who was dedicated to both God and his church as well as his family. Ron had multiple children and grandchildren whom he loved and he also had special people in his life whom he “adopted.” He was also involved in the Christian Motorcycle Association, Lion’s Club, and assisted with multiple other community service projects such as delivering flowers for Abundant Blessings.

On Christmas Eve, 2015, Ron’s family and friends lost their loved one from heart failure after a successful battle with Leukemia. Ron did so much for the community that he was always giving more than he took. For his dedication and loving heart, we will be forever grateful.
